Recruiting Kids Hope Mentors

We have some spots available for caring adults who can provide one hour per week to provide one-to-one mentoring and affirmation for one primary school child from Sunbury West Primary School and help to develop a trusting and structured relationship with a child to enable positive change in their life. (In other words, hang out with a kid for an hour every week, have a great time and make a huge difference in their life!) If you think you have the time to do that, can commit to it for at least a year, and would like to be involved in a local Mission on our Doorstep please speak to Narelle or Gavin by Monday June 29th.
